Our college has a very organized and democratically elected student council association. The student association has elected office bearers comprising a student co-coordinator and student representatives from first year to internship. There are elected positions for looking after extracurricular activities, hospitality issues, and other cultural and academic events throughout the year besides students in other supporting positions.

This student council is guided by staff advisors and the principal of the college. The students Association comprises of other two committee that also enrich the cultural and cooperate life of the college providing opportunities to students to expand their horizons. The committees provide a platform for participation of students in intra-college as well as inter college events under a student's council.

In the course of program, for every year there is a class committee represented by students from first year to internship. The class committee has also faculty representation. This committee is convened two times in a year and it discusses and pass resolutions on the following:

Analysis of continues assessment test results analysis of examination results

Evaluation methodology for practical and other equivalent courses

Syllabus for internal assessment examinations disciplinary issues of the students

Faculty performance in teaching

Conferences / CDF. Program /workshops

Other student- centric issues raised by the students including maintenance of infrastructure

Class representative is a Faculty level committee having student representatives from all the classes under a faculty and the convener of the
