INSTITUTION POLICY

SMIDS has set the strategic goal to achieve the student attributes and learning objectives and prepare the students for a successful career.

To start the NAAC accreditation process in the Institution. To constitute various committees like internal quality assurance, institutional research, curriculum etc. and install coordinators to maintain governance at higher level.

- To conduct training courses in recent advances.
- To conduct programs in the institution which includes CDE, FDP etc.
- To purchase new machines and other laboratory equipment's so that students and staffs can become familiar with the recent advances in various branches of dentistry and to fulfil the deficit as per Dental council norms.
- To improve patient inflow by 15% a year through a) Patient focused care, b) by providing Training to students and staff in patient management.
- To monitor the progress of these goals and review it periodically by the Principal, Vice Principals, Heads of the departments and management.
- The department level objectives will be monitored by the HODs. Monthly reviews will be submitted to the Principal, Vice Principals and management, the report submitted will be reviewed periodically.
