&

Sree Mookambika Institute of Dental Sciences, Kulasekharam.

Memorandum of Understanding between Sree Mookambika Institute of Dental Sciences and Sree Mookambika Cancer Centre, Padanilam, Kulasekharam to establish collaboration for clinical, academic and research activities.

Sree Mookambika Institute of Dental Sciences, Kulasekharam offers Undergraduates (BDS) and Postgraduates (MDS) courses affiliated to The Tamilnadu Dr. MGR Medical university, Chennai and approved by the Dental Council of India. The Institution provides the best oral health care and creates excellent and expertise professionals imparting the latest knowledge, promotes research and development in various fields of dentistry. We have a core committee of members from each department of dental college to provide special care to cancer patients. We encourage research activities in diagnostic as well as therapeutic modalities in the field of oral cancer.

SMCC
SREE MOOKAMBIKA CANCER CENTRE

Dr. Elizabeth...
Sree Mookambika Institute of Dental Sciences
Hospital Compound
Kulasekharam-622 009
Tamilnadu

Sree Mookambika Cancer Centre started in may 7, 2017 to provide affordable treatment to cancer patients in the Southern districts of Tamilnadu. It is the only cancer centre in Kanyakumari district offering comprehensive diagnostic and treatment facilities strictly on evidence based International and National guideline on cancer treatment. Comprehensive treatment modalities including Oncosurgery, Radiotherapy, Chemotherapy and supportive care are provided for both adult and pediatric patients.

Sree Mookambika Institute of Dental Sciences and Sree Mookambika Cancer Centre, Kulasekharam thereby agree to work together to contribute to capacity development in the field of Oncology at Undergraduates and Postgraduates level.

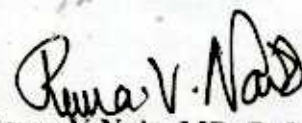

It is also expected that Sree Mookambika Cancer Centre and Sree Mookambika Institute of Dental Sciences can be mutually supportive for capacity development in various fields of Oncology, Clinical and academic collaboration and advancement of research projects for the benefits of people in Southern part of Tamilnadu.

Objectives:

- 1) Clinical posting for undergraduate and postgraduate students.
- 2) To carryout research projects based on diagnostic and therapeutic modalities in the field of oral cancer.
- 3) To conduct CDE programme and workshops for upgradation of knowledge in the field of Oncology.
- 4) To provide special care to the patients referred from dental college and hospital.

To achieve these objectives, partners will meet in atleast once in a year for organizing the programme as well as assessing the outcomes. Decisions at the meeting will be decided by mutual consences.

This Memorandum of Understanding is at will and be modified with the mutual consent of the authorized individual of Sree Mookambika Institute of Dental Sciences and Sree Mookambika Cancer Centre, Kulasekharam. Once signed by authorized officials of both groups, this Memorandum of Understanding will begin to function. This MOU will be valid for five (5) years unless terminated by one of the parties.
